

# ELCOP

## PRODUCT DATA AND APPLICATION SHEET

**PRODUCT NAME** Weatherproof Socket Outlet

**PRODUCT CODE** WPS210 , WPSS110

**DESCRIPTION** Rated IP53 and constructed from heavy-duty plastics, Elcop's weatherproof powerpoints are designed to resist corrosion, colour fading and impact making it suitable for exterior use. There is no cable inside the large terminals allowing for easier and quicker installations. The switch and sockets are rated at 240 volt 10amp and the stylish mounting base is fitted with multiple 20 and 25mm conduit entry points to all sides and the rear, making it adaptable to surface or concealed wiring entry. These top quality weatherproof GPOs come with full Australian approvals and a 4 Year Warranty.
